

Invacare **Matrix Flo-tech Contour Visco**

The *Invacare Matrix Flo-tech Contour Visco* cushion is moulded from Visco-elastic foam, which is temperature-sensitive to the body. As the foam warms, the contoured surface area conforms to the shape of the user's body, improving posture, increasing comfort and maximising the surface area in contact with the user, thereby optimising pressure reduction.

Deep moulded low memory foam cushion

The temperature-sensitive foam conforms to the user's body, maximising the contact area, delivering exceptional levels of comfort and optimising pressure reduction. The deep foam makes this cushion particularly suitable for heavier and taller users.

Contoured seating surface with pommel and side support

Offers increased lateral support and pelvic stability to enhance the user's posture.

Features and Options

Ingress Resistant Cover

Cover is two-way stretch, water-resistant and vapour-permeable. Cover features an anti-slip base with carry handle.

Available in 51 sizes

The *Invacare Matrix Flo-tech Contour Visco* is available in a range of 51 sizes, from 36 x 33 to 51 x 46 cm (360 x 330 to 510 x 460).
