

Invacare **Matrix Flo-tech Contour**

The surface of the *Invacare Matrix Flo-tech Contour* cushion is contoured into sections. This unique design improves posture and increases the support surface area, effectively dissipating weight away from specific pressure points. The combination of improved posture and increased support surface area will contribute significantly to pressure ulcer prevention. This deep cushion is suitable for heavier users.

Moulded foam cushion

Moulding allows **Matrix Flo-tech** cushions to provide a three-dimensional form, which cannot be emulated in cut foam. Moulded foam is highly durable, increasing the product's longevity.

Contoured seating surface

Offers improved stability and postural support; friction forces on tissue. castellations reduce shear and

Features and Options

Ingress Resistant Cover

Cover is two-way stretch, water-resistant and vapour-permeable. Cover features an anti-slip base with carry handle.

Available in 83 sizes
