Fitting e-fix on wheelchair at £45

Invacare factory\*

Wheelchair order number

Fitting to third party wheelchair £45

Fitting by trained dealer\*\* £0

## Control Unit Mounting

Right side

Left side

Right & Left (pluggable) £60

Bracket on: Frame tube Side part

\*Only when ordered with an Invacare wheelchair.

\*\*Mounting kits can only be sent to selected trained dealers.

Do you want to use both your standard and e-fix wheels in the future? If so, please order the retrofit stub axle.

## Manual wheel axle retrofit for e-fix \* / \*\*

Retrofit, stub axle to 1/2" diameter

£92

\*If the manual wheels are used in combination with e-fix, these must be fitted with 1/2" stub axles, without drum brakes and 1" wide tyres.

\*\*If drum brakes are installed, these must be removed as they are not compatible with e-fix. Standard lever brakes are used instead.
